

Q1: The Central Bank of Ireland employed 1980 Active FTE (Full Time Equivalents) as at end September 2022. "Active FTE" refers to staff actively working within the organisation as at September 30th, excludes all staff on long term leave such as maternity leave as well as any secondments and career breaks and reflects atypical (part-time) working arrangements where appropriate.

Q2: The following table conveys the number of staff receiving salaries that fall within the requested salary bands, broken out by gender:

People Salary Bands	Gender <input type="checkbox"/>		Grand Total	
	<input type="checkbox"/>	Female		Male
Less than €49,999		166	189	355
€50,000 to €74,999		456	431	887
€75,000 to €99,999		272	286	558
€100,000 to €124,999		63	78	141
€125,000 to €149,999		55	66	121
€150,000 to €199,999		22	39	61
Greater than €200,000		2	2	4
Grand Total		1036	1091	2127
